I wanna dance  
Until the darkest heavens turn gray  
Until the dawn strolls in with the day

Then I'll say  
Don't let the band get away  
But matrimony  
I'm not ready yet  
Married I can always get

It's not for me  
With all it's smug conuivial joy  
That ever constant smashing a toys  
Wrecks your poise  
While hubby is out with the boys

No wedding gown  
For this silhouette  
Married I can always get

I'll live the life that I'm used to  
I'll get a ring when I choose to  
Because by now I have found  
That the nicest rings are on a merry-go-'round

I'll be blasse  
With any man who's motives are base  
I'll keep each wiley wolf in his place  
'Til the chase finally ends in embrace

But as for wedlock unlock me, my pet  
Married I can always get

[BRIDGE]

I'll go the way that the wind blows  
Along the path that is primrose  
I have my plan all rehearsed  
I will kiss anybody will kiss me first

I'll take a cruise  
Into a more adventurous clime

And if the captain's still in his prime  
He will find  
You don't have to sail all the time

I wanna stick to romantic roulette  
Married I can always get
