I'm not a rocket scientist
I rock the house and sign the tits
And that's it

Don't take no astrophysicist
To make your ass throw fits
Now sistas kick it

I keep it cool like Eskimo chicks on Discovery Channel
I'm hot like Telemundo chicas on a solar panel
See me on daytime TV chillin' in my Bob Marley T
I'll slap you silly, I'm from Philly
I'm not sorry, that's me

I am the robot Elvis rockin' my bionic pelvis
I'm technotronic sippin' vodka tonics (yeah, I'm selfish)
I am the killer shakin' up some old rock and roll,
Them drum machines ain't got no soul

I'm not a rocket scientist
I rock the house and sign the tits
And that's it (that's it, y'all)

Don't take no astrophysicist
To make your ass throw fits
Now sistas kick it

This is mission control, what is your status? Super
b*tchin'
We read you loud and clear, permission's go to hit
ignition
We gettin' static, please repeat your last confirmed
position
I'm ten feet tall and solid gold and I demand
submission

I am the robot Elvis rockin' my bionic pelvis
I'm technotronic sippin' vodka tonics (yeah, I'm selfish)
I am the killer shakin' up some old rock and roll,
Them drum machines ain't got no soul

I am the robot Elvis rockin' my bionic pelvis
I'm technotronic sippin' vodka tonics (yeah, I'm selfish)
I am the killer shakin' up some old rock and roll,
Them drum machines ain't got no soul

I am the robot Elvis rockin' my bionic pelvis
I'm technotronic sippin' vodka tonics (yeah, I'm selfish)
I am the killer shakin' up some old rock and roll,
Them drum machines ain't got no soul
