To know, know, know him is to love, love, love him
Just to see him smile, makes my life worthwhile
To know, know, know him is to love, love, love him
And I do

I'll be good to him, I'll bring love to him
Everyone says there'll come a day when I'll walk
alongside of him
Yes, just to know him is to love, love, love him
And I do

Why can't he see, how blind can he be
Someday he'll see that he was meant for me

To know, know, know him is to love, love, love him
Just to see him smile, makes my life worthwhile
To know, know, know him is to love, love, love him
And I do

Why can't he see, how blind can he be
Someday he'll see that he was meant for me

To know, know, know him is to love, love, love him
Just to see him smile, makes my life worthwhile
To know, know, know him is to love, love, love him
And I do

To know, know, know him is to love, love, love him
Just to see him smile, makes my life worthwhile
To know, know, know him is to love, love, love him
And I do
