Ma belle amie  
You were a child of the sun  
And the sky and the deep blue sea  
Ma belle amie  
Après tous les beaux jours  
Je te dis merci merci  
You were the answer of all my questions  
Before we're through  
I want to tell you that I adore you  
And always do  
That you amaze me by leaving me now  
And start a-new  
Ma belle amie I'm in love with you

Let the bells ring  
Let the birds sing  
Let's all give my substitute a big cheer  
Let the bells ring  
Let the birds sing  
For the man after him waits here  
For the man after him waits here

Ma belle amie  
You were a child of the sun  
And the sky and the deep blue sea  
Ma belle amie  
There was a time that you thought  
That your only friend was me  
You were the answer of all my questions  
Before we're through  
I want to tell you that I adore you  
And always do  
That you amaze me by leaving me now  
And start a-new  
Ma belle amie I'm in love with you
