Dis your boy Tee
Representing Africa, Nigeria
Omo Niger for realla
For my crazy jeezees
Keeping it real really
All up in joints

[Chorus]

Am all up in a smoke joint
We all up in a choked joint
Police chasing, is no point
They all up to no point
I be changing smoke joints
Pull it up!, pull it up!
Pull it up! pull it up!
Pull it up niggaz!!
[Repeat 2X]

[Verse 1]

Am are crazier than a popstar
I rock with stars so I shine like stars
I live on mars and shit on earth
Fuck on pluto and sip on crude oil
Am a stoic, I don't share pain I endure it
Can't hate but to love me
If you hate to love me, I love it
Am still alive till date, you'll say am lucky
Yes, yes, crazy you could call me
My brains is twisted, my skull is shifted
My eyes are tinted red,
But don't get it twisted
I show love like a thug
Cuz am a street thug
I be you shelter during the rain or storm
I change the whether you could say am storm
Sit between heaven and hell
Helthier than evey but still not well
Pufff so much I swell

[Chorus]

Am all up in a smoke joint
We all up in a choked joint

Police chasing, is no point
They all up to no point
I be changing smoke joints
Pull it up!, pull it up!
Pull it up! pull it up!
Pull it up niggaz!!
[Repeat 2X]

Smokin make me choke, choke
Smoking make me roll smoke
Police wanna catch us and stack us
But I be close to my cakuz
But then afraid to attack us
Start pittin bullets at us
Real street jeezees will not back up
We boys but minds of men
So we called boys but men
They say we cruel but then
Who could blame us,
We all wanna be famous
Our mama gave birth to us
But the street raized us
We real gees we wann keep it real
Push us too much we kill
All up on the streets we thrill
All up on the street we chill

Gunz up, gunz up
Gunz up, gunz up
Gunz up niggaz
Gunz up, gunz up
Gunz up, gunz up
Gunz up niggaz

[Chorus]
Am all up in a smoke joint
We all up in a choked joint
Police chasing, is no point
They all up to no point
I be changing smoke joints
Pull it up!, pull it up!
Pull it up! pull it up!
Pull it up niggaz!!
[Repeat 3X]

We be all up in joints
Smoked up, choked up, fucked up
And all these law fuckers wann stress us, up
While they smoke too
They choke too
They just gotta learn to free us

Cause we freedom fighters
We be fighting for freedom
