Cheer the light
Still the fires
Raise your voice for
God, love, and rock and roll

We that fear
The way is clear
The day has come for
God, love, and rock and roll

Sing your song
We all belong
Now's the time for
God, love, and rock and roll

Alright, sing we believe
Come on (we believe)
Lemme hear you now
(We believe) everybody sing
(We believe) alright
In God, love, and rock and roll

Ah, yes, indeed (yes, indeed)
That's right, one more time
(Yes, indeed, we believe in)
(God, love, and rock and roll)

Alright, everybody, amen
(Amen, amen, amen for)
(God, love, and rock and roll)

Give a peace a chance, come on
(Give peace a chance)
(Give peace a chance)
(Give peace a chance for)
(God, love, and rock and roll)

God, love, and rock and roll
God, love, and rock and roll
Everybody, get down
God, love, and rock and roll
God, love, and rock and roll...
