When you have that  
Special woman, who makes  
Your heart skip a beat.  
And your so crazy in love  
Your telling everybody.

That she's your life, your  
Heart, your soul, your  
Babygirl but you just  
Don't know what she's  
Doing to you in this  
World.

[Chorus]

So I'm saying, fuck  
The bitch. i don't need  
This shit. I'm gonna  
Live life to the fullest  
And i have no regrets.

So fuck the bitch.  
I don't need this  
Shit. I'm gonna  
Smoke weed feel  
High like it's legit.

So fuck the bitch.  
I don't need this  
Shit. I'm gonna  
Live life to the fullest  
And i have no regrets.  
So fuck the bitch. i don't  
Need this shit. I'm gonna  
Smoke weed feel high  
Like it's legit.

And down the road  
Of your relationship  
You realize. that  
Everything she said  
To you was just her

Lies.

And now you live heart  
Broken, and things seem  
So strange. cause you  
Can't believe that the  
Girl of your dreams  
Just played that stupid game

that makes you wanna say

So fuck the bitch.  
I don't need this  
Shit. I'm gonna  
Smoke weed feel  
High like it's legit.

So fuck the bitch.  
I don't need this  
Shit. I'm gonna  
Live life to the fullest  
And i have no regrets.  
So fuck the bitch. i don't  
Need this shit. I'm gonna  
Smoke weed feel high  
Like it's legit.
