Woah woah woahhh woahhhh.  
Now there's so many people who criticize  
Off of how I live my life  
And I aint tryin to be someone else  
I'm just trying to be me  
So mr. Bush why can't you see  
That this is the way I want my life to beeeee... yea.  
Now I don't mean no disrespect  
But sir we all heard what you said  
And in the papers all of us read.  
And now were feeling this affect.  
So sir just think about what you said  
And listen to me while I tell you this...

Shut your mouth open your eyes and see  
That in reality were all human beings.  
So sir just take your time-uh to  
Understand my rhyme cuz you got your  
Lifeand I got mine.  
Shut your mouth and let me beeee-meeeee.yea  
Woah woah woah-oaahhh.

To thee haters who don't know me...  
I gotta tell you something and this  
Is coming from my home boy jermyy.  
He said, No ones perfect man not even  
Me so who the fuck are you to judge  
Me ohh I don't judge the way... your  
Living your life but you make me wanna  
Say some things on my mind...  
And if your willin to here me out then  
Take my advice I'll stay out of your life  
You stay the fuck out of mine.  
Shut your mouth open your eyes and  
See that in reality were all human beings.  
So haters take ya time-uh to understand  
My rhyme cuz you got your life and  
I got mine.

Shut your mouth and let me beeee-meeeee.

Yea woah woah woahhh-aaahhh.  
AW yeaaa.
