Said baby, mommy loves you
I wouldn't know what I'd do without you.
Said baby, mommy loves you
I wouldn't know what to do if I was to loose you.

Said baby listen
Said the very first day I held you in my arms, I knew.
That I had to change my ways.
And keep you safe from harm.

Oh, and when you smile
It makes my life worth while
And worth living.

So every night I pray
And thank the lord that you're my blessing.
My baby boy, you're my everything.

And mommy loves you,
My pride and joy.
Mommy loves you,
My baby boy.
And later on in this life,
You'll hear this song it's called Mommy's Lullaby.

Said mommy loves you,
My pride and joy.
Mommy loves you,
My baby boy.
And later on in the life,
You'll hear this song it's called Mommy's Lullaby.

Lemme tell you sumthin.
I know that I'm still young
And some people like to judge
Of what they see.
But I'm gonna raise you good.
Oh, you just wait and see.

Cause mommy loves you,
My pride and joy.
Mommy loves you,

My baby boy.
And later on in this life,
You'll hear this song it's called Mommy's Lullaby.

Said mommy loves you,
My baby boy.
And later on in this life,
You'll hear this song it's called Mommy's Lullaby.
You'll hear this song it's called Mommy's Lullaby.

Said mommy loves you,
I wouldn't know what I'd do without you.
Said mommy loves you
I wouldn't know what to do if I was to loose you.
