Girl take my hand  
And let all inhibitions go  
You and me no regrets tonight  
Its friday night and im feelin alright  
Clap your hands to the beat now with me  
I know this is what you need

This is from me to you  
I wanna see you move  
Youre running out of time  
So get those..

Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa  
This is how we do it do it  
Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa  
This is how we do it do it

Whooooah its how the teen hearts do it

Keep your feet on the ground girl  
And i swear that  
Ill never let you down  
You and me no regrets tonight  
Girl its friday night and im feelin alright  
Clap your hands to the beat now with me  
I know this is what you need  
This is your last chance  
I wanna see you dance  
Youre running out of time  
So get those...

Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa  
This is how we do it do it  
Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa

This is how we do it do it

So keep moving  
Keep dancing  
You know this wont last forever  
In the time it takes for you to let go  
This story's over

Let all your inhibitions go and get those

Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa  
This is how we do it do it  
Hands in the air whoa whoa  
This is how we do it  
Hands in the air whoa whoa  
This is how we do it do it
