You are my addiction
And I can't explain the way that I'm feelin everytime I'm
around you (round you)
You make me nervous and weak

I've got this Ghost-buster T shirt
And you wear vintage couture
How can I make you see that I'm the one you've been
missin (missin)
And all that you need

The distance between us is driving me crazy (crazy)
Girl did you ever think that maybe I'd be perfect for you
And maybe you are perfect for me too
I can't deny you have my heart and it's tearin me apart

I know you don't feel the same way but maybe
someday (maybe someday)

I wrote you a letter 'cuz I can't explain the way that I'm
feelin
Everytime that I try to I can't even breathe
So I'll sit alone in my bedroom and dream about
How perfect it'd be to have you here with me
Maybe one day you'll see

Until then I'll just wait for you
The distance between us is drivin me crazy

Girl did you ever think that maybe I'd be perfect for you
And maybe you are perfect for me too
I can't deny you have my heart and it's tearin me apart
I know you don't feel the same way
But maybe someday (but maybe someday)

And maybe one day you'll see
That we were meant to be
And maybe one day you'll see (you'll see)

Maybe am perfect for you
And maybe you are perfect for me too
I can't deny you have my heart

And it's tearin me apart

I know you don't feel the same way

But maybe someday

Maybe someday

Maybe someday
