I got a new life
You would hardly recognize me
Im so glad
How can a person like me care for you
Why do I bother
When youre not the one for me
Is enough enough
I saw the sign and it opened up my eyes
I saw the sign
Life is demanding without understanding
I saw the sign and it opened up my eyes
I saw the sign
No ones gonna drag you up
To get into the light where you belong
But where do you belong
Under the pale moon
For so many years Ive wondered
Who you are
How can a person like you bring me joy
Under the pale moon
Where I see a lot of stars

Is enough enough
I saw the sign and it opened up my eyes
I saw the sign
Life is demanding without understanding
I saw the sign and it opened up my eyes
I saw the sign
No ones gonna drag you up
To get into the light where you belong
But where do you belong
I saw the sign and it opened up my mind
And I am happy now
Living without you
Ive left you all alone
I saw the sign and it opened up my eyes
I saw the sign
No ones gonna drag you up
To get into the light where you belong
I saw the sign and it opened up my eyes
I saw the sign
