Westside girl is dancing  
Off the chain, it's sickening  
Lady Tee is...  
(Do you feel me)  
Mmm

Got your dinner waiting on the table  
I've even chilled the wine  
Come over, baby  
Boy, don't be crazy

You've been waiting for a little something  
And your girl's about to break you right off  
You're about to know my name  
Baby's off the chain

Got you feeling  
Off the chain  
She sexing  
Off the chain  
She's flipping  
Off the chain  
Baby  
Your girl is I'll  
She's off the chain  
It's sickening  
Off the chain  
She's moaning  
Off the chain

Mercury's rising and it's hot like fire  
I'm feeling feverish  
About to lace you  
Can almost taste you

West coast's popping all around your body  
And my s\*\*\*'s of the hook in the south  
You'll never be the same  
Baby's off the chain

Got you feeling

Off the chain  
She sexing  
Off the chain  
She's flipping  
Off the chain  
Baby  
Your girl is I'll  
She's off the chain  
It's sickening  
Off the chain  
She's certainly  
Off the chain

Did you ever think that we'd be making love like this  
How can you resist me, baby  
Now that we have kissed  
I've been saving all my love  
For only you  
West coast is on and popping  
Boy, you den started something

[Rap baby:]  
West coast's got your chest on swell  
Dirty South's insatiable  
Northeast, tell me now what you say  
Got your taste buds tanging like Alize  
Lady's banging all out your back  
Got your heartbeat racing like a heart attack  
Going on and on to the break of dawn  
And s\*\*\* don't stop to the early morn

Off the chain  
Off the chain  
Baby's off the chain  
Do your thang  
Do your thang  
This love is good  
It's off the  
Off the chain  
Off the chain  
Baby's off the chain  
Do your thang  
Do your thang  
This love is good  
It's off the  
Chain  
Chain  
Chain  
Uh

West coast's popping

It's off the chain  
East Coast's flipping  
It's off the chain  
Midwest's banging  
It's off the chain  
Dirty South is off the chain [x2]

Got you feeling  
Mm  
She's fine  
She's sickening  
She's moaning off the  
Your girl is I'll  
She's off the  
She's sick  
And she's off the  
She's flipping off the  
She's freaking off the chain
