I must of asked you September  
I knew that you would not remember  
we were walking in the hallway  
I swore I heard your mouth say  
you would go to the Halloween dance with me  
on condition that no one else can see  
I agreed and got a rubber mask  
not knowing that all your friends would ask

I must have called you fifteen times today  
should of known you found someone else to be your  
date  
did you ever have to go this way  
Be Stag Be Stag Be Stag gotta Be Stag  
Be Stag Be Stag Be Stag gotta Be Stag
