Everyday I get up early in the mourning cause I've got  
to go to work  
Cause I want to go where the action is  
Where everybody treats me like a jerk  
I like taking shit from assholes it's a dream come true  
but five  
Fifteen ain't going to pay the rent  
So I short change the guy with the Whopper he  
complained I told  
Him to get bent

But you know there will come a day  
I'm gonna make these fuckers pay  
Blood bath at Burger King [x2]
