I'm not going down the stairs no more  
There's something here living under the floor  
I haven't seen it but I know its there  
Now I'm so scared I wet my underwear

That's why I don't want to go  
Down, Down, Down in the basement  
That's why I don't want to go  
Down, Down, Down in the basement tonight

Late at night when I'm in my bed  
I pull the covers up over my head  
I hear it creepy up from down below  
Its come to take me where I don't wanna go

That's why I don't want to go (Don't wanna go oh)  
Down, Down, Down in the basement  
That's why I don't want to go (Don't wanna go oh)  
Down, Down, Down in the basement  
That's why I don't want to go (Don't wanna go oh)  
Down, Down, Down in the basement  
That's why I don't want to go (Don't wanna go oh)  
Down, Down, Down in the basement tonight

I don't wanna go down in the basement tonight [x4]
