Pull out from under me

All that does stumble me

Come down, I give in to Your reality

Jesus, You're all I need, now I give in

Spirit come over me

Come take control of me now

I have been found by You, oh Lord

Your perfect love, it comes like a flood

Without resistance

I am changed in an instant

Oh come inside, I am Yours

Be glorified in me

Lord be my everything

Come down, I give in to Your reality

Jesus, You're all I need, now I give in

Spirit, come over me

Come take control of me now
