Have tried in great detail to earn Your love
But always failed to find You
The love that I had tried to earn
Was a gift that I soon learned was Yours to give
So I lay myself down - Took in Your grace
And now am found - Inside You

Covered by Your love
Covered by Your blood
Covered by Your righteousness
I'm covered by You

Now that I'm found I will stay
Your love it carries me each day and surrounds me
Lord all I want to say is I look forward
To the day I can see Your face
So I lay myself down
And in Your rest I now am found
Inside You
