Love has come and found me once again
Release the depths of mystery within
I close my eyes and I am undone
By what You've begun

Take my thoughts, I'm captivated by You
As I sink into Your solitude
Jesus, I am lost without You
I am driven to...

Driven to my knees
Lord, I am begging You please
Fulfill in me, this life
that only You can live through me
Jesus, You must be everything in me
Lord, I receive this impossible possibility

Inside and out, the fire starts to burn
Refined like brass, it's easier to turn
To clarity, the vision of Your Word
For You I yearn

Love is patient, love refines
Love is You inside my mind
Living out Your life in mine
I am Yours to define
