(Verlaine)

You hurt my feelings with your chitter-chatter,
I know I listen, baby that don't matter,

I sit around,

I sit around,

Too scattered, too weak,

I know, and you know, I care,

You're so hard to please.

You're so

Hard on love (tell me why, tell me why),

Hard on love (tell me why, tell me why),

Hard on love (tell me why, tell me why),

I must be a fool to give you any attention,

I know you're cruel, but your love's in suspension,

Yet there's something so right

About your folded hands,

That captures my heart,

Flows over me like sand.

You're so

Hard on love (tell me why, tell me why),

Hard on love (tell me why, tell me why),

Hard on love (tell me why, tell me why),

I got to go, babe, no I don't know why,

My motion gets jammed and my thought is unkind,

Who called it like you called it -

A misalliance,

You know, you know babe,

I try, I try, I try, try...

'Cos you're

Hard on love (tell me why, tell me why),

Hard on love (tell me why, tell me why),

Hard on love (tell me why, tell me why),

Hard on love (tell me why, tell me why),

Hard on love (tell me why, tell me why),

Hard on love (tell me why, tell me why),

One day, I'm sure babe...

(Tell me why, tell me why)

One sweet day...

One day I'll see it... one sweet day...

I see it... see it there...

One sweet day
