(Verse)

Welcome my friend to a life of pleasure
your days and nights you live askance
and every moment you spend grinning
this is the land of ignorance
ohhh

But I cannot make that decision
I make no decisions for myself
and if I look into the mirror
will I see me or somebody else

(Chorus)

And after all we remain so immune
not the least bit shaken up
we have drifted away
and we are not waking up
noooo

(Verse)

You know that sex decides opinion
viewer discretion is advised
and my very life is up for sale now
and I dont know whos behind my eyes
ohhh

Can you imagine no possessions
it doesnt matter if you try
they take joy in forcing God upon you
until you commit suicide

(Chorus)

(Verse)

I feel no pain or elation
and there are no tears left to cry
United States of Antiseptic
every emotion sterilized

(Chorus)

And after all we remain so immune
not the least bit shaken up

We have drifted away
But we are not waking up
No we are not waking up
