(Verse)

I told you everything
say what is in our hearts
weve found respect and love
with firearms

An icon of liberty
when right and wrong dissolve
come on and dance with me
well do the waltz

(Chorus)

shake your body
another body

(Verse)

Line up back to back
cross yourself, praise the lord
walk ten paces away
in 3/4

flash of eternity
a hymn of armed assault
come on and dance with me
bring the world to a halt

(Chorus)

Shake

Ready Aim Fire

(Verse)

Nowhere for you to run
and no one left to trust
not priests or senators
police or felons

Throw your hands in the air
your lifes an afterthought
come on and dance with me
the beat will never stop

(Chorus) x2
