Try to believe in this thing
There's a guardian in the wings.
I know you feel all alone
Words can hurt like sticks and stones.
Come and look this way
I wish you could hear me say
I've been in all your lonely days.
I'M YOUR GUARDIAN ANGEL
I'LL ALWAYS BE WITH YOU
I'M YOUR GUARDIAN ANGEL
And when you fall, I'm around

When you cry, I know the sounds
Don't be afraid, I'll set you free
When you need love, think of me
Come and look this way
I wish you could hear me say
I've been in all your lonely days.
I'M YOUR GUARDIAN ANGEL
I'LL ALWAYS BE WITH YOU
I'M YOUR GUARDIAN ANGEL
