The world keeps spinning 'round  
Spinning while you sleep  
Flying 'way the minutes  
Minutes never keep  
Wheels turning on ahead  
Turning by so fast  
Time is on no one's side  
Nothing never lasts  
On and on and on, on and on  
WORLD ON A WING  
Pay the piper, he'll soon be gone  
WORLD ON A WING  
The world keeps turning 'round

Turning in a dance  
Moving never stopping  
Are there any accidents?  
Clocks turning on ahead  
I take no faith in luck  
Everything will pass someday  
Always in a flux  
On and on and on, on and on  
WORLD ON A WING  
Pay the piper, he'll soon be gone  
WORLD ON A WING  
French horn - Jeff de Rosa  
Cello - Harry Gilbert
