

## Telly Savalas "Who Loves Ya Baby?"

Visit "[Who Loves Ya Baby?](#)" on MotoLyrics.com

(Baby Baby, won't you tell me - Tell me what I wanna know)

(Baby Baby, won't you tell me - Tell me what I wanna know)

When the world starts to kick you around  
And you find yourself flat on the ground  
Well it's a sure one-to-five  
There'll be someone to jive ya  
And try to keep bringing you down.

And for a while you might take that abuse  
And convince yourself to stay loose  
Then one day he'll throw you away  
And say you're good for nobody's use.

But then I'll come your way  
Turn your blackest night into day  
When you're needin' it bad  
'cause of flop-times you've had  
I'm gonna look at you and I'm gonna say  
"Who loves ya, baby!"

(Who loves ya baby)  
By now you oughtta know  
(Who loves ya baby)  
Well I can't always let it show  
(Who loves ya baby)  
By now you really oughtta know  
(Who loves ya baby, who loves ya)  
This is one thing I don't wanna blow.

Baby Baby, won't you tell me - Tell me what I wanna know  
Baby Baby, won't you tell me - Tell me what I wanna know

If you wake up one day feeling ugly  
Thinkin' you're 10 or 12 pounds overweight  
Well just know I don't care  
If there's grey in your hair  
If there's hair at all I think that's great!

Now this carnival life that we're ridin'  
Gives no-one the room to start hidin'  
So I don't wanna hear  
That you've turned a deaf ear  
To my words, and started back-slidin'

Cause then I'll come your way  
Turn your blackest night into day  
When you're needin' it bad  
'cause of flop-times you've had  
I'm gonna look you straight in the eye, baby, and I'm  
gonna say  
"Who loves ya, baby!"

(Who loves ya baby)  
By now you really oughtta know  
(Who loves ya baby, who loves ya)  
This is one thing I don't wanna blow.

Baby Baby, won't you tell me - Tell me what I wanna  
know  
Baby Baby, won't you tell me - Tell me what I wanna  
know  
Baby Baby, Won't you tell me who loves you  
Baby tell me what I wanna know

(Who loves you, baby)  
(Who loves you, baby)  
(Who loves you, baby)

Baby, Baby, Baby, Baby  
Who loves ya

I'm the one!
