Mother, mother found me on her step  
Gracious mother held me to her breast until the day I  
started pushin'  
Too late to cry, she turned away, I started pushin'  
I saw no future in this lack  
I started pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
Baby brother clinging to her hair  
Gracious mother pleading, "Not another soul to bare"  
He started pushin'  
All my kings have fallen down  
I started pushin'  
Fallen heroes feed the ground  
I started pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
Falling down, now I know her  
I know I'll never drown, drown, drown  
Falling down, now I know her  
I know I'll never drown, drown, drown  
I was pushin'  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back
