Temple Of Baal "Your Savior"

People like you, I know myself, walk in the shoes of somebody else
Whisper to me my tragic fate
Whisper to me my tragic end
But don't give me your saviour, don't give me your savior
I said, "Hey"

People I choose life on my own
Burn me your fuse, throw me your stone
Give me your brand, burn on my hand
Whisper to me my tragic end
But don't give me your saviour, don't give me your
savior
I said, "Hey"

People I choose, I know myself, lay my need out, give you my help But you give me your blues and you whisper my fate But don't give me, don't give me your saviour

Don't give me, don't give me Whisper high oh fate, fly high oh fate Whisper high oh fate, fly high oh fate Whisper high oh fate, fly high oh fate Whisper
