I can see the daylight
And I feel it's right
That she's flowing now
To walk upon the clouds

Can you hear me singing?
Can you see me lying
Down on the floor?
I'm still laughing like a child
My head is full of voices
My head is full of light
So please let me go
Please let me run away

Silly laughing
When I come home
There's just no reason to call
I try to leave you
To forget you
Try to leave you to love
Leave you to love
You

I can't see the daylight
And I feel it's right
That she's flowing now
She's flowing $\tilde{f}\hat{A}\zeta\tilde{A},\hat{a},\neg\tilde{A},\tilde{E}\tilde{o}\tilde{t}\tilde{i}\tilde{l}$ it's through
A never-ending darkness
A never-ending night
She flies away
To walk upon the clouds

Silly laughing
When I come home
There's just no reason to call
I try to leave you
To forget you
I try to leave you to love
Leave you to love
You

Silly laughing
When I come home
There's just no reason to call (no reason to call)
I try to leave you
To forget you
I try to leave you to love
Leave you to love
Leave you to love
You
