I, I hope that I can,
I think that I can,
I know that I can, reverse,
Reverse the damage,
The damage I've done to you

And I, I think I found you,
I know I saw you,
I think I found you, I think,
It's all you need,
And I wanted to look back at you

The tension snaps

Your love is good for me,
We never over-reached,
For fear of falling

I, I saw you enter-entertaining,
Repeating your difference,
I got the time,
And you forgot your lines again

Wanting to know you,
But I'm always late,
And I had to give you back

You know that I lie,
Dead in the water,
A game of hide and seek

The tension snaps

Your love is good for me,
We never over-reached,
For fear of falling

Your love, you know that it's good for me,
We nearly over-reached,
My signal is failing

Your love, you know that it's good for me

The same old roads,
The same old bricks,
The same old faces that you hate

The same old roads,
The same old bricks,
