Lingering thoughts in this drowning world
People are dead
That's where I'll be
My friends are all gone in this drowning world
All of them are dead
And this is my way, this is my way to leave you
This is my way, this is my way to leave

Lingering thoughts in this drowning world
People are old
That's where I'll be
My friends are all gone in this drowning world

All of them are sad
And this is my way, this is my way to leave you
This is my way

This is my way to find out all these ways of glory
And all my little ways
I'm sorry
There is no life, there is no life alone
All my little ways of glory
And all my little ways
I'm sorry
There is no life, there is no life alone
