Some things are worth the bruises,
Some things are worth the hurt,
I like the way your face looks towards me,
Try just a little harder,
Try and make this time for me,
I like the way your glances deceive me,

I give myself away,
And yes, I meant to give you warning,
But what did I say?
You can call me in the morning,
I'm living my life in reverse

Make me a compilation,
Make me do what you will,
'Cause I like the way you use your fingers,
Grab me a conversation,
Grab me a shard of your life,
'Cause I like the way your fringe shapes your features

I give myself away,
And yes, I meant to give you warning,
But what did I say?
You can call me in the morning,
I'm living my life in reverse

I'm my life in reverse order,
And yes, I tried to warn ya,
I'm living my life in reverse order,
And since you ask, will I try to warn her?

Watching the light stretch through the curtains,
Watching the evening fade,
I like the way that you fold your body
