My love for you is insane

Julia, keep your head on top
I'd cry for you just like a child
So undress me and sleep with me
Before I go to leave myself

My love for you is insane

You're breathing less without a crown
And lie to me just when you're frail
Anytime and anywhere
I'd cry for you just like a child
So undress me and sleep with me
Before I go to leave myself

My love for you is insane

I threw my arms away and ran as fast as I could
Just to let you know that you're the only one
(x4)
