"One Day"

One day I'll break the chains round my heart
And I will live it up right from the start
One day I'll kiss the fay of delight
And I will drift in the gales of this rite
One day I'll find the key to my creed
Oh, and I will reap all the fruit of my seed
One day all my fears of going astray will end in smoke
As my angels choose to stay
One day I'll clear the way to my soul
Oh, and I will spot all the bays of my joy
One day I'll cross the bridge to my mind
Oh, and I'll embrace everything that I'll find
