One in a million,
Two is a crowd,
Three is company,
Fours allowed

I spent all night trying,
To remember your address,
Drawing lines around your body,
Making marks on the mucky floor

Five little fingers,
Six digit fix,
My lucky seven,
There are eight steps to my hips

I spent all night trying,
To remember your address,
Drawing lines around your body,
Making marks on the mucky floor

Why did we have to meet,
On the night I lost my head?

Fours not allowed

I spent all night trying,
To remember your address,
Drawing lines around your body,
Making marks on the mucky floor

On the night I lost my head?

You found me indiscreet,
On the night I lost my head,
You found me in the street,

On the night I lost my head
