I want real gold in my hand

I can be your metal rebel - Bite me off a devil's tongue
Tie me up with rope or leather - Never let me come
undone

I want real gold in my hand - I want real gold in my
hand

Give me endless crime
Be a criminal mastermind
Think up wicked lies
Undercover mission high

You can pay me by the hour - Rent a room I'll bring the
chains
Hit me with your dollar power - I'm in charge, control
your pain
Shut your mouth I'll start a fire - Leave your baggage at
the door
I won't sleep I never tire - Fight me down onto the floor

I want real gold in my hand - I want real gold in my
hand
I have your soul in my hand - I want real gold in my
hand

Give me endless crime
Be a criminal mastermind
Think up wicked lies
Undercover mission high

I want it, I love it, I've got it, you want it
Make it yours - Make it mine
I want real gold in my hand - I want real gold in my
hand

Give me endless crime
Be a criminal mastermind
Think up wicked lies
Undercover mission high

Tie me up, I want it
Tie me up, I love it
Tie me up with rope or leather
Never let me come undone
I want real gold in my hand
Hit me, hit me
I'm in charge, control you pain
