Hard, medium, soft
Hard, medium, soft
Hard, medium, soft
Hard, medium, soft

Hard, medium and soft
Dark, lonesome and watery
Sharp, handsome and lost
Fast moving right through my body

Hard, medium, soft
Hard, medium, soft
Hard, medium, soft
Hard, medium, soft

I've never found what I'm looking for
But if I give up now where will that get me?

Hard, medium and soft
Dark, lonesome and watery
Sharp, handsome and lost
Fast moving right through my body

But if I give up now where will that get me?
What if I give up now? Where will I be?
