If Barbara were an angel
I pray she'd watch over me

If Barbara were a queen
Her servant I would be

If Barbara would be mine
And wear my high school ring
Then I'd climb the highest mountain
Do just anything

If Barbara were the winter chill
I'd stand out in the cold

If Barbara was a tree
Her branches I would hold

If Barbara would love me
And say that she'd be mine
I'd swim the deepest ocean
Stop the hands of time

Barbara please say
That you're in love, in love with me
Don't let me lead
This life, this life of misery
Whoa oh let me kiss your tender lips
And know your secret charms
And let me know what real love is
And hold you in my arms

And if this love I pray for
Should it all come true
Ove
Barbara, Barbara, Barbara, my love

Barbara, Barbara
