Like the birds in the trees
My heart sings a rhapsody of love for you
Girl, you won my heart the very first time
I layed eyes on you
I know your love belongs to someone else
But girl, I got to have you for myself

So, I'm gonna keep on trying
Just keep on trying till I win your love, woo
Gonna keep on trying
Just keep on trying till I win your love, woo

A fallen star that's what you are, from the heaven
above
There's no treasure on earth, that can match your
worth
You're a picture of love
I know to you I'm just a love sick guy
But you're wrong
I love ya and I need you by my side

So, I'm gonna keep on trying
Just keep on trying till I win your love, woo
I'm gonna keep on trying
Just keep on trying till I win your love, woo

Aw, yeah
Baby
Keep on

I can't help but thinkin' 'bout that guy
He jus' got you by his side, he's got everything
There's is no inch of his happiness to be in his place
I'll be glad to give you anything
I know your love belongs to him
But girl, I can't be satisfied jus' being your friend

So, I'm gonna keep on trying
Just keep on trying till I win your love, woo
Gonna keep on trying
Just keep on trying till I win your love

Everyday, baby
Gonna keep on trying
Got to keep on trying till I win your love
No matter what it takes
I'm gonna keep on trying
Just keep on trying till I win your love
