Temptations -laaaaaaaaaaaaaaaaaaala la la

Richard- So you're through with love  
Any you say  
It's just a waste of time

Temptations- waste of time you blew my mind

Richard- There are two sides to love  
And if you will  
I'd like to show you mine  
Girl love has it's ups and downs  
sometimes like a merry go round, going round and  
around and around and around  
Never knowing where you're bound

Damon - I may not be the one you want  
But I'm sure the one you need

Richard - Give me a chance to prove  
Love shared by me and you can be

Temptations - Heavenly (x 3)

Richard - That's how

Temptations - That's how love is when it's right it's right

Richard - Simply

(everybody needs love)

Hey girl, open up your heart again, please won't you let  
me in, give me a chance to undo, all the hurt he's put  
you through
