You say you're gonna leave me, for the arms of
another
You say my love for you is no good and we can't go any
further
But have pity on me, I was blind but now I see
Stay with me and never walk out of my life

Because, I need your lovin'
(I need your lovin')
Oh, I need your lovin'
(I need your lovin' baby)

In spite of all the wrong I've done, I'll make it up to ya
Even if it takes all my life, I'll prove my love to ya
So please don't go away with me always stay
'Cause I love you and I couldn't stand it being away, girl

I need your lovin'
(I need your lovin')
Oh, I need your lovin'
(I need your lovin' baby)

Girl, restore the faith you had in me
I'm beggin' you down on my knees
Please don't take your love from me
Don't leave me, don't leave

Forgive this fool for causing your heart to suffer
Remember two wrongs don't make a right
It only makes things tougher
So have little sympathy, on a poor fool like me
And stay with me, please don't walk out of my life

Because, I need your lovin'
(I need your lovin')
Oh, I need your lovin'
(I need your lovin' baby)

Oh baby, baby, baby
(I need your lovin')
Oh, I need your lovin'
(I need your lovin' baby)

(I need your lovin')
I need your lovin' baby, baby, baby
(I need your lovin' baby)

Oh, I need your lovin'
(I need your lovin')
I need it, I need it
