I want a love I can see
That's the only kind that means a thing to me
Don't want a love you have to tell me about
That kind of loving I can sure do without
(I can sure do without)
Yeah, yeah, yeah, yeah

I want a love I can feel
That's the only kind of loving I think it's real
Don't want to be quoted by something I heard now
'Cause baby action speaks louder than words
(Ah, louder than words)
Yeah, yeah, yeah

I want a love that's mine
(I want a love, that's mine)
In the rain or in sun, sun, sunshine
(I want a love, that's mine)
A love to keep warm when it's cold
(I want a love, that's mine)
The kind of love that will never grow old
(Never grow old)
Yeah, yeah, yeah, yeah, yeah, yeah

Don't you know I want a love
Why don't you know I want a love
Why don't you know I want a love
Yeah, yeah, yeah

Want a love I can see
(I wanna love I can see)
The kind of love you can give to me
(Give to me)
The kind of kisses to make, make me melt
(Ooo, make me melt)
The kind of love that can really be felt, now
(Really be felt)
Yeah, yeah, baby, baby, baby, baby, baby, I

(Why don't you know I want a love)
Yeah, I want her love now
(Why don't you know I want a love)

The kind of love that can be felt
(Why don't you know I want a love)
Yeah, yeah, yeah baby, baby, baby, baby, I

(Why don't you know I want a love)
Yeah
(Why don't you know I want a love)
No I, I, I, I, I wanna love her
(Why don't you know I want a love)
Uh-huh, yeah
(Why don't you know I want a love)
