If you decide to make me blue, I'll be in trouble  
If you decide to be untrue, I'll be in trouble  
'Cause no matter what you do or say, I know I'm gonna  
love you anyway  
So if that's what you wanna do, I'll be in trouble

If you decide one day you want to make a change, love  
You want to leave me here and love a total stranger  
Well, no matter what you do or say, I know I'm gonna  
love you anyway  
So if that's what you wanna do, I'll be in danger

I'll do everything I can to make you stay  
Keep you by my side  
(By my side, baby)  
'Cause I love you in such a way  
(I predict all about my my pride)

If you decide you want to go, I'll be in trouble  
I can't prepare myself and soul, I'll be in trouble  
So no matter what you do or say, I know I'm gonna love  
you anyway  
So I just want you to know, I'll be in trouble  
Oh, yeah

If you decide you want to go, I'll be in trouble  
I can't prepare myself and soul, I'll be in trouble  
So no matter what you do or say, I know I'm gonna love  
you anyway  
So I just want you to know, I'll be in trouble

I'll be in trouble  
(So much trouble)  
If you ever leave me, baby  
(I'll be in trouble)  
If you deceive me  
(So much trouble)  
I must confess  
(I'll be in trouble)

My life will be a mess  
(So much trouble)

I'll be in trouble, baby  
(I'll be in trouble)  
So much trouble  
(So much trouble)  
Hmm, everyday, trouble  
(I'll be in trouble)

And every way, so much trouble  
(So much trouble)  
Hmm, baby  
(I'll be in trouble)  
So much trouble  
(So much trouble)
