hooooo.
yo love is fading
i can feel yo love fading
girl its fading
away from me

cause yo touch,yo touch, has grown cold
as if someone else controls your very soul
ive fooled myself
long as i can
can feel the presense, of another man

its there when you speak my name
its just not the same
hooooo.
baby,im losing you
its in the air
its everywhere
ewwww baby
im losing you

(losing you!!!)

when i look into your eyes
a reflection of a face i see
im hurt down hard in

thw world can go
cause that face doesn't belong to me

oh its all over yo face
someone's takin my place
hooooo! ew baby
im losin you
i try hard to hide
the imptiness inside
hooooo
i can tell, im losing you
hoo!
i dont wanna loose ya babe

(instrumental)

hooooo!
i can tell from a kiss
oh the tenderness i miss
hooooo
little girl, im losing you
girl i feel it in my bones
in a day you'll be gone
awww aw baby im losing you
