(Loneliness Made Me Realize)It's you that I need

Ooooh Lonely am I, ever since you said goodbye, girl I
know that I should have woke up, 'cause it seems now
that we've broke up,
your fairwell kiss is haunting mee, my two lips cry out
constantly,
let your heart let your heart be your guide,
(forget about your foolish pride)
forget about your foolish pride,

(Baby I keep tellin, I keep tellin, baby I keep tellin)
starting tomorrow I keep telling myself,
im gonna get out and find somebody else,
somebody thats sweet and kind who will erase you out
of my miiind,
but tell me how could I find somebody new baby,
when my two arms keep reaching out for you,
and my two lips keep right on repeating,
its you that I need oooooohh,
you know that even when I close my eyes to forget ya,
I see your face and your memories too,
girl I've never felt this loneliness before, and hooo girl
I just cant take it no more,

Every night a million tears I shed, Giirl
I'm slowly goin out of my head, just take a good look
and you'll see what this loneliness is doin to meee,
(paul) (uh baby its you that need) ooooh (Otis) dont you
know that its you that I need (eddie) (baaaby) Oh I cant
take this loneliness, (its you that I need) Awww baby I
need ya, (Its you that I need) oooooh (?? Baby)

(You that I need)Some fool im gonna be no more,
'cause ill soon be knockin knockin on your door,
gonna get down on my bendin knees,
beg and plea giirl come back to me,
its you that I need (ever night a million tears I shed)
giirl its you that I need (I'm slowly goin out of my head)
girl take a good look and you'll see a , what does this
