I heard that you were so lonely
Ever since you sent me away
(Away)
I'm lonely too, baby
(I'm lonely too)
Just like you

So, all you got to do is-uh
Just let me know and I'll come running back
(Ah, come back)
Just let me, just let me know and I'll come running back
(Ah, come back)
As fast as I can, baby
(Straight to you)
Hmm

I told my friends to wait and see
That some day you'll be crawling, crawling back to me
Oh, but I was wrong
'Cause love is much too strong

All you got to do is-uh
Just let me know and I'll come running back
(Ah, come back)
Just let me, just let me know and I'll come running back
(Ah, come back)
As fast as I can, baby
(Straight to you)
Hmm, yeah
(Straight to you)

Baby, baby clap your hands
If you understand
Give me some kind of sign
If you want to be mine

All you got to do is-uh
Just let me know and I'll come running back
(Ah, come back)
Just let me, just let me know and I'll come running back
(Ah, come back)
As fast as I can

(Straight to you)
Hmm
(Yeah, yeah)
'Cause I love you
(Straight to you)
Hmm

(Just let me know)
And I'll come running back
(Ah, come back)
Just let me know
(Just let me know and I'll come back)
'Cause I love you, yes indeed
(Just let me know and I'll come back)
I'll come, come running back
(Back)

Straight you
(Straight to)
Hmm
(Yeah, yeah straight to you)
Straight to you
(Yeah, yeah straight to you)
'Cause I love ya, I need ya
Just say you want me, I'll come
