Each day through my window I watch her as she passes  
by

I say to myself, "You're such a lucky guy"  
To have a girl like her is truly a dream come true  
Out of all of the fellas in the world she belongs to me

But it was just my imagination  
Running away with me  
It was just my imagination  
Running away with me

Soon we'll be married and raise a family  
A cozy little home out in the country with two children,  
maybe three  
I tell you, I can visualize it all  
This couldn't be a dream for too real it all seems

But it was just my imagination, once again  
Running away with me  
I tell you it was just my imagination  
Running away with me

Every night, on my knees I pray  
"Dear Lord, hear my plea  
Don't ever let another take her love from me  
Or I will surely die"

Ooh, her love is heavenly  
When her arms enfold me  
I hear a tender rhapsody  
But in reality, she doesn't even know me

Just my imagination, once again  
Running away with me  
Oh, I tell you it was just my imagination  
Running away with me

I never met her but I can't forget her  
Just my imagination  
Running away with me  
Just my imagination  
Running away with me

She's never hard to find  
Just my imagination  
She's always on my mind  
(Running away with me)  
Just my imagination  
Running away with me

Just my imagination  
Running away with me  
Just my imagination  
Running away with me  
I never met her but I can't forget her

Just my imagination
