"Little Miss Sweetness"

Now I'm a guy who's fond of sweet things, sweet things
I adore
In coffee, most take one or two lumps but I use three or
four
But since I kissed your sweet, sweet lips, sugar ain't
sweet no more
Your kiss was sweeter than any cup of coffee, I ever
made before

You know you're little miss sweetness
Little miss sweetness
The sweetest girl in the world
Oh yeah

If ever a man had a sweet tooth, I have one indeed
I order cookies and cakes, malts and shakes from the
menus that I read
But all the cakes and shakes and malts I've bought
Put together don't exceed
The sweetness in just one of your kisses, baby you're
the one I need

You know you're little miss sweetness
You're little miss sweetness
The sweetest girl in the world
That's true babe, oh yea

Alright, now listen to me you sweet things, hear what I
have to say
If ever you need somebody, send for me without delay
But do one thing for me, don't go out on a rainy day
'Cause if it's true that rain melts sugar, you will surely
melt away

You know you're little miss sweetness
Oh you're little miss sweetness
You're little miss sweetness
You're little miss sweetness

The sweetest girl in the world
The sweetest girl in the world
The sweetest girl in the world
