Hmmmmmmmmmm

When will you learn  
I'm never gonna leave you girl  
Please open your eyes and see  
You're the only one for me baby  
Of all the things we been through  
It's made my love strong for you  
We all need someone to depend on  
You can count on me baby

My Love Is True  
( repeat 2 times)  
Truly, truly, truly for you

Girl don't you know  
We're standing underneath a halo  
We been blessed to have this love affair  
I can't let go, go nowhere  
Blessing comes in many disguises  
I'm so glad I recognize it  
You're something special and very rare  
What we got baby you don't find anywhere

My Love Is True  
Only for you  
My Love Is True, oh baby  
Truly, truly, truly for you

So girl take my love  
(take my love)  
No matter where your heart may roam  
Deep down inside of me baby yeah  
Your love will always have a home  
If ever a story should be told

Whatever time my unfold  
Let it be said girl I always loved you  
You can count on me baby  
Cause my love is true

My Love Is True (yeah)

You can always count on me baby (mmmm)  
Truly for you  
Truly, truly, truly for you  
My love is true baby  
(ohhhh)  
Only for you  
All my love is true  
Love is forever with you baby  
(mmmmm)  
Oh yeah  
Yes I know that time bring by a change  
(mmmmm)  
But there's one thing that will remain the same  
Ohhhh  
And that's how I truly, truly love you

Your my world, your my girl, your my all and all and all  
(mmmmm)

Your my pot of gold  
At the end of loves rainbow  
(at the end of loves rainbow)  
And I couldn't dream of coming home  
At the end of the day and you not be there  
(mmmmmm)
