And, oh, baby, I cry myself to sleep at night  
For fear of another holdin' you tight and oh, baby  
I miss ya more with each passin' day  
Every night on my knees I pray

Oh, please return your love to me, girl  
Forgive me for the wrong I've done  
Without your love, I'm just no good  
For I am just a lonely one

I'm sorry for the wrong I've done  
Now I know how it feels to lose that special someone  
And oh baby, I need you more than words can say  
Without your love I can't face another day

Oh please return your love to me, girl  
Forgive me for the wrong I've done  
Without your love, I'm just no good  
I am just a lonely one

What I want you know is that  
If there's a Heaven above you'll be my one and only  
love  
And oh baby, I can't control the glow in me  
Girl, come on and an' see about me

Oh, please return your love to me, girl  
Forgive me for the wrong I've done  
Without your love, I'm just no good  
I am just a lonely one

I'm a lonely one  
I'm a lonely one  
I'm a lonely one  
I'm just a lonely one

Oh please, return your love to me, girl  
Forgive me for the wrong I've done  
Without your love, I'm just no good  
I am just a

Please, return your love to me, girl

Forgive me for the wrong I've done  
Without your love, I'm just no good  
I am just a
