Lady luck and a four leaf clovers
Wanting this hurt I feel all over
My life was one special occasion
Till your leavin' ended the situation

I'm standin' on shakey ground, yeah
Ever since you put me down
Oh, standin' on shakey ground, yeah
Ever since you put me down

My car got repossessed this morning, yeah
Hardest times I've seen in years
Lord, you got to throw me a life preserver, yeah
'Cause I'm about to drown in my own tears

I'm standin' on shakey ground, yeah
Ever since you put me down
Oh, standin' on shakey ground, yeah
Ever since you put me down

I'm standin' on shakey ground, yeah
Ever since you put me down
Oh, standin' on shakey ground, yeah
Ever since you put me down

Standin'
Standin'
Standin' of course

Standin'
Standin'
Standin' on shakey ground

That's why I'm standin' on, I'm standin' on
I'm standin' on shakey ground
Ever since you put me down
Standin' on shakey ground
Ever since you put me down
